Internship Completion Letter

Dear Aman Shandilya **,**

Congratulations on successfully completing your internship with Ethara AI. We appreciate the dedication and professionalism you demonstrated throughout your tenure.

Your internship was conducted from **06/02/2026** to **29/04/2026**. During this period, you contributed towards data preparation and evaluation tasks in the AI and data projects supporting Large Language Model (LLM) post-training workflows. We are confident that the experience gained during this program will support your future professional growth.

We wish you every success in your future endeavours.

Please feel free to contact us at hr@ethara.ai if you require any further assistance.

Sincerely,
Ethara AI

Co-Founder & CEO
